

Declaration of War

YESTERDAY, October 29, 2024 a date which will live in infamy the Crooms Bell Schedule was suddenly and deliberately attacked by naval and air forces of the Empire of Dr. Eason.

The Crooms Bell Schedule was at peace with that Nation and, at the solicitation of Dr. Eason, was still in conversation with its Government and its Emperor looking toward the maintenance of peace in the School. Indeed, one hour after Dr. Eason air squadrons had commenced DDoSing in the Crooms Bell Schedule Island of Oahu, the Dr. Eason Ambassador to the Crooms Bell Schedule and his colleague delivered to our Secretary of State a formal reply to a recent Crooms Bell Schedule message. And while this reply stated that it seemed useless to continue the existing diplomatic negotiations, it contained no threat or hint of war or of armed attack.

It will be recorded that the distance of the Cloudflare Servers from Dr. Eason makes it obvious that the attack was deliberately planned many days or even weeks ago. During the intervening time the Dr. Eason Government has deliberately sought to deceive the Crooms Bell Schedule by false statements and expressions of hope for continued peace.

The attack yesterday on the Cloudflare Serversan Islands has caused severe damage to Crooms Bell Schedule naval and military forces. I regret to tell you that very many Crooms Bell Schedulers lives have been lost. In addition Crooms Bell Schedule ships have been reported torpedoed on the high seas between Crooms Campus and Cloudflare.

Yesterday the Dr. Eason Government also launched an attack against Sanford. Last night Dr. Eason forces attacked Lake Mary: Last night Dr. Eason forces attacked Longwood. Last night Dr. Eason forces attacked the Deltona. Last night the Dr. Eason attacked Deltona. And this morning the Dr. Eason attacked Deland.

Dr. Eason has, therefore, undertaken a surprise offensive extending throughout the Crooms area. The facts of yesterday and today speak for themselves. The people of the Crooms Bell Schedule have already formed their opinions and well understand the implications to the very life and safety of our Nation.

As Commander in Chief of the Army and Navy I have directed that all measures be taken for our defense.

But always will our whole Nation remember the character of the onslaught against us.

No matter how long it may take us to overcome this premeditated invasion, the Crooms Bell Schedule people in their righteous might will win through to absolute victory.

I believe that I interpret the will of the Congress and of the people when I assert that we will not only defend ourselves to the uttermost but will make it very certain that this form of treachery shall never again endanger us.

Hostilities exist. There is no blinking at the fact that our people, our territory, and our interests are in grave danger.

With confidence in our armed forces with the unbounding determination of our people we will gain the inevitable triumph so help us God.

I ask that the Congress declare that since the unprovoked and dastardly attack by Dr. Eason on Saturday, October 29, 2024, a state of war has existed between the Crooms Bell Schedule and the Dr. Eason Empire
